

Sweet Breeze Field Trip Inquiries

- Call Fort Wayne Parks at 260-427-6000 to learn about booking and payment terms. Schools will be billed after the field trip for attending passengers on the actual field trip. Schools will be invoiced by FWPRD. Cost per student rider is \$5. Paid school staff are free. All others are \$17 each. Adapted Classroom tours are fully underwritten for students and paid staff by the AWS Foundation.
- Additional Field trip information at www.forfw.org/field-trips/
- We will accept Grades 3, 4 and 5 for the History field trips and Grades 4 - 11 for the Science field trips.
- Our boat holds 38 passengers plus our crew. We require a minimum of 25 paying students and adults. We ask that our boat be filled to the greatest capacity.
- Your boat tour will depart from the Promenade Park South Dock – 202 West Superior Street in downtown Fort Wayne. You must arrive dockside 15 minutes before your tour time. School bus drop-off into Promenade Park is best from south bound Harrison Street or west bound Superior Street.
- Our on-board docents will lead the boat tour with stories and facts crafted for the greatest educational value and student enjoyment. Visual aids and experiments will be used along with on-screen images. Indiana DOE Standards are referenced.
- FWPRD will require tour reservation acceptance to be returned 2 weeks prior to field trip date. Safety training will be conducted dockside before boarding the boat to demonstrate the proper method for the donning and securing of Personal Flotation Devices (PFD)
- Friends of the Rivers (Educational tour docent) will email/call the school representative with added information shortly after booking / 48 hours prior to tour departure. Contact Ron Menze - Friends of the Rivers Field Trip Contact at menzeron@gmail.com
- Bookings and details are at the discretion of FWPRD and Friends of the Rivers.

Please document school requests and bookings with:

1. Field trip date, time and selected focus (History or Science)
2. School Name, Mailing Address and School District
3. Grade level/levels attending with anticipated student and school staff count. Plus added adult & child passenger count
4. Classroom contact name, email and cell phone are required.
